

The Concert, for the finest in theater seating.

The Concert theatre seat is an exquisite selection when high design and an affordable price is of importance.

The back and armrests can be fabric covered, plastic laminate and or wood.

This handsome style can be enhanced with decorative end panels of various designs.

The comfort of well-designed seats are essential to the enjoyment of programs that often last several hours. With this in mind, we provide seats which are made to be durable and comfortable, utilizing the latest materials to enhance the patrons experience.

Thanks to advances in foam materials and no break polypropylene, our seating contours to a person's body, distributing weight evenly. This eliminates pressure points.
